Total students of this 10th class:-29+26=55

Before Intervention:-

Sabitri Behera is a girl lived in Panchupada village of Panchupada Grampanchayat. She is a 10th grade student, she fall in love with a boy named Ratikanta Samal from her village. Though she knew about her family she left home with Ratikanta and secretly married him. After few days she got pregnant, now she is 4 months pregnant. As we all know she is only 15 years old ASHA DIDI, AWW of that area tried their best but couldn't registered her in Mamata Scheme, she couldn't avail the Mamata Scheme but she is getting every other helps like other pregnant women. But due to the below age pregnancy she is in risk, this concern everyone.

After Intervention:-

Our organization's staff Mrs. Priyalata Parida was in charge of Panchupada Grampanchayat, she was so devastating that she couldn't stop her marriage so she tried her best to convince her and her in-laws so that she can attend her 10th exam but Sabitri was very ashamed of her pregnancy, so she refused to take her exams but Priyalata as a responsible person finally convinced her and then she attended all her exams.

Now Sabitri's family, her school teachers and everyone is very proud of her.

After knowing about knowing about her pregnancy the ASHA, AWW and worker of GC try to registration her name as a MAMATA MAA on Mamata Dibas, but she is not able to become a MAMATA MAA because of her underage. But all other services provided to her, because of underage she found out as a high risk mother.

Now she is 4 months pregnant, her life is in danger situation about which she is ignorant. The worker of GC think about her future and try to convince him for continues her studies. She and her in-laws didn't agree to attend 10th exam, Sabitri feeling embraced because of her pregnancy.

But after a long discuss and counselling she and her in-laws family agreed to attend the 10th exam. The staffs of GC become very happy for it and also her school teacher, husband, family members all is happy for it. She also interested to continue her studies.
